

BUILD DAKOTA. BUILD YOUR WORKFORCE. INDUSTRY PARTNERSHIPS

If you're a business in South Dakota that specializes in a high-need field, a Build Dakota partnership may be the right fit for you. The Build Dakota Scholarship Fund gives technical students a full-ride scholarship in exchange for a commitment to work in their chosen field in South Dakota. Industry partners can use Build Dakota as a recruitment and retention tool for their business.

HOW TO BECOME AN INDUSTRY PARTNER:

Businesses can sponsor a scholar, paying a portion of their tuition and program expenses. You may sponsor a current employee or a technical college may help you match with a new applicant in a high-demand program.* Build Dakota scholars commit to working in South Dakota, and for your business, for three-years after graduation.

**All technical colleges manage their industry partner programs, so each school may have different forms, procedures and costs for your participation.*
