

SUCCEED IN COLLEGE ALGEBRA (MATH 114) AS A HIGH SCHOOL JUNIOR OR SENIOR

with Northern State University E-Learning Center's
Year-Long College Algebra Course

..... Earn 3 credits of college math with an expert
E-Learning master teacher while you are in high school.

**YOUR E-LEARNING MASTER TEACHER WILL DELIVER A YEAR-LONG COLLEGE ALGEBRA
COURSE TO YOU IN A BLENDED FORMAT OVER TWO CONSECUTIVE SEMESTERS:**

First Semester

**MATH FOR COLLEGE
READINESS**
(COMMON COURSE CODE 02138)
Free

Second Semester

**HIGH SCHOOL DUAL CREDIT
COLLEGE ALGEBRA**
(MATH 114)
\$78.48 per credit

FALL SEMESTER Earn a C or higher in Math for College Readiness

SPRING SEMESTER Earn a guaranteed spot in HSDC MATH 114 with
Northern State University E-Learning Center

ADDED BENEFITS

- + Succeed in college math in the supportive environment of Northern State University E-Learning Center.
- + Refresh and learn the content you need to succeed in college algebra during the first semester. Continue learning with the same teacher in a high school dual credit course the following semester.
- + Save money and earn 3 college credits for College Algebra (MATH 114) while you are still in high school.
