0.5 World History	0.5 Geography
0.5 Social Studies Elective	

Mathematics - 4 units*

1.0 Algebra I	1.0 Geometry
1.0 Algebra II	1.0 Advanced Math

Science - 4 units*

1.0 Biology	1.0 Chemistry or Physics
1.0 Physical Science	1.0 Science Elective

(3 units must be a laboratory science)

World Language or Career and Technical Education - 2 units*

Approved Career and Technical Education Coursework¹
 World Language (all units must be the same language)
 Can be a combination of these two categories

Other Coursework*

0.5 Personal Finance or Economics	0.5 Physical Education
1.0 Fine Arts	0.5 Health or Health Integration

***Each course can only satisfy one subcategory.**

Class of 2026 can qualify with the below curriculum:

The coursework listed in the subcategories on the following pages will also meet these coursework requirements.

Language Arts - 4 units

Social Studies - 3 units

Mathematics - 4 units

Science - 4 units

Dual Credit - System General Education Requirements (SGR)

All degrees from South Dakota's public universities require 30 credits of System General Education Requirements (SGRs). Find out which SGRs are satisfied through dual credit courses by finding the SGR# listed in parentheses behind the dual credit course titles in the subject areas above. Find more information about the System General Education Curriculum Requirements below.

- SGR#1** Students will effectively and responsibly and will understand and interpret the written expression of others. (6 credits required.)
- SGR#2** Students will communicate effectively and responsibly through listening and speaking. (3 credits required.)
